This warranty excludes normal discoloration, surface scratches, grease buildup, weather and atmospheric related staining, and minor surface rust and oxidation that can be expected on any outdoor product.

FIVE YEAR LIMITED WARRANTY: Caliber Appliances warrants the Crossflame radiant trays, gas valves, sear zone burners, and rotisserie burners to be free from defects in materials and workmanship under normal residential use for a period of five years from the original date of purchase. Caliber will repair or replace, at its option, any part which is determined by Caliber to be defective during this warranty period at no cost to the original purchaser. Warranty service must be first authorized by Caliber and then performed by an authorized service representative during normal business hours. Any non-authorized service costs will not be covered by this warranty.

NINETY DAY “TRADE PROFESSIONAL” WARRANTY: This warranty applies to installations where the use of the product exceeds that of normal residential use but does not reasonably experience the heavy use found in commercial cooking establishments (as determined by Caliber). Examples of this type of use include country clubs, community “common” areas, bed & breakfasts, fire stations, and other locations where the product is used extensively. Caliber will at its option repair or replace any defective part with the owner paying for all other costs including freight and labor.
